Population of Males aged 18-24

25.3%

Our Objectives

- **To strengthen and tailor current partnerships and programmes in Lambeth to deliver improved job outcome rates for Young Black Men and narrow the gap with their white counterpart.**
- **Undertake targeted activity with employers to increase their understanding and gain their commitment to proactively engage and recruit Young Black Males.**

Experience So Far

- **16 starts on the pilot**
- **2 job outcomes**
- **Positive feedback from customers**

Testimonials

- *The programme has given me a personal motivational boost I needed to believe that my dreams of success is achievable through faith, hard work, determination and perseverance.*
- *I was feeling like giving up , I began to get very negative about finding work. But the project has changed my mind-set and I thank the team for the positivity and encouragement they have shown and given me*

Employers

- **Support from Sandra Kerr – National Campaign Director Race for Opportunity**
- **Employers including Google, Cap Gemini, TFL, Barclays**

Employers

- **Undertake targeted activity with employers to increase their understanding and gain their commitment to proactively engage and recruit Young Black Males.**
